Terry, you have a nice
personality and good looks,

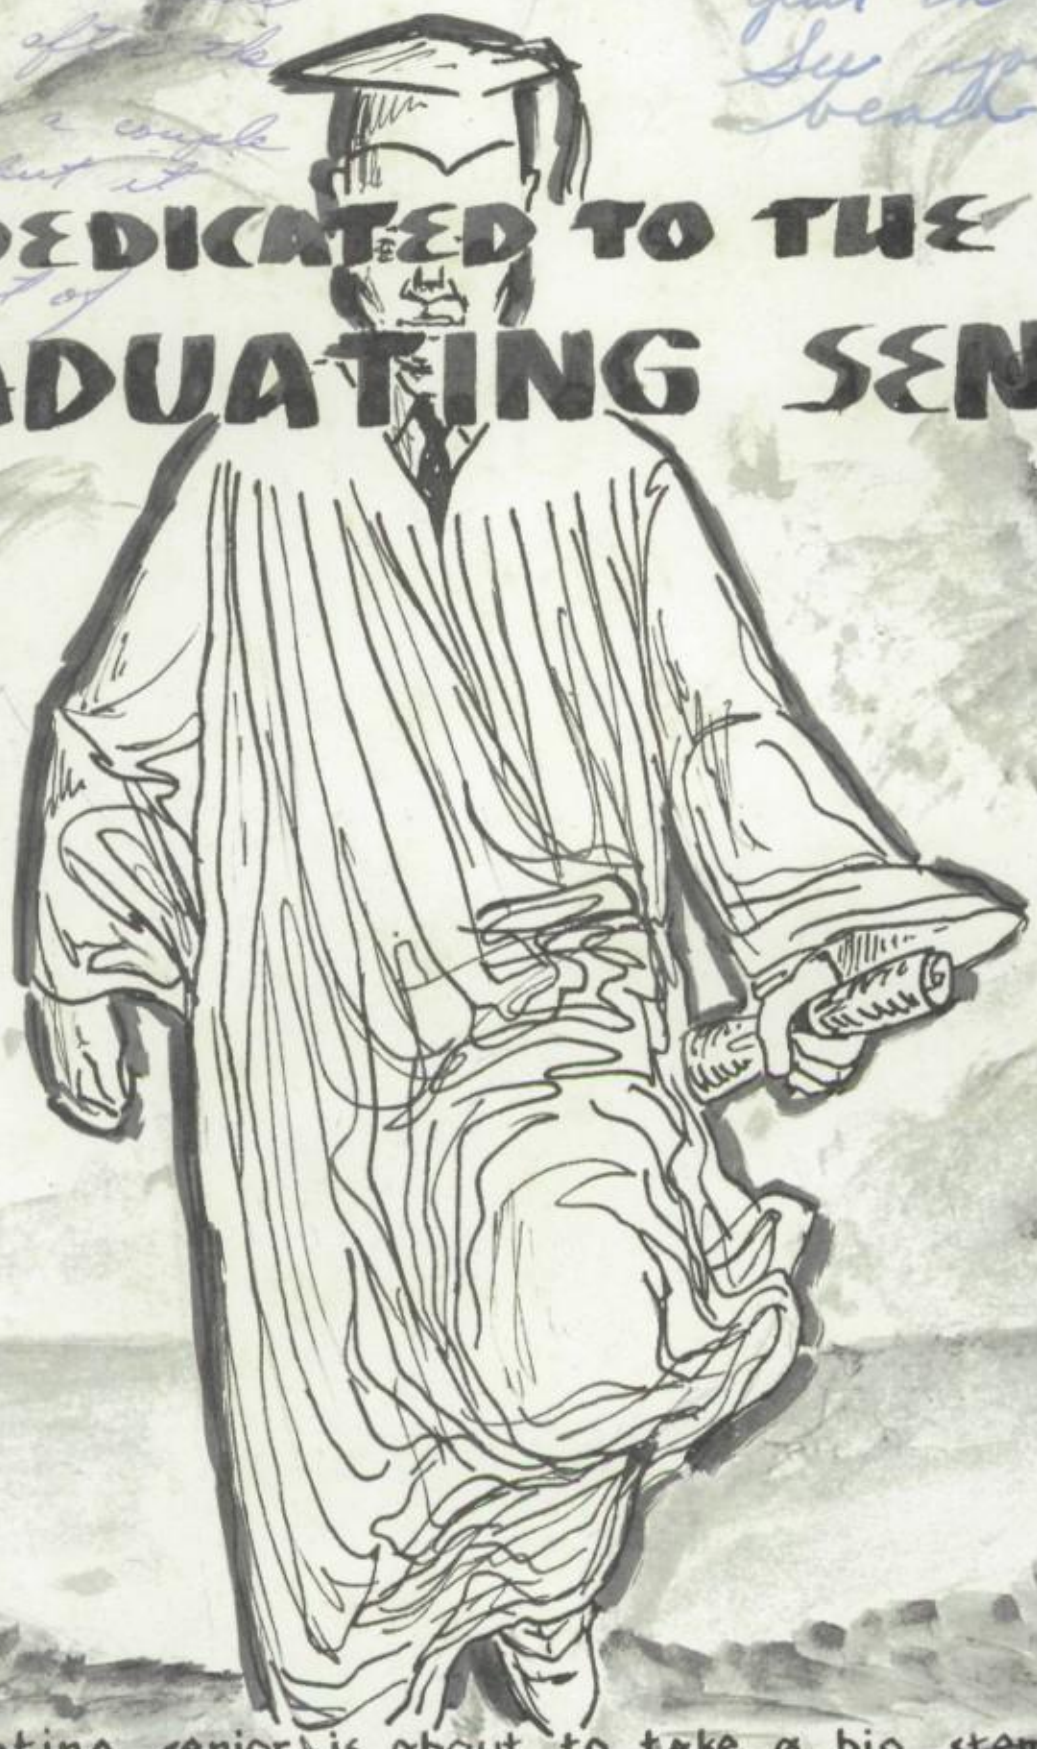
DEDICATED TO THE GRADUATING SENIOR



A graduating senior is about to take a big step.
He hesitates in the present -- wondering if the foundation he has built in the past will withstand the fears, hopes, and faith of tomorrow.
Then perhaps he realizes that tomorrow's answers lie in today's actions.
So he takes that big step --- one which will guide his future destinies to the new horizons of tomorrow.

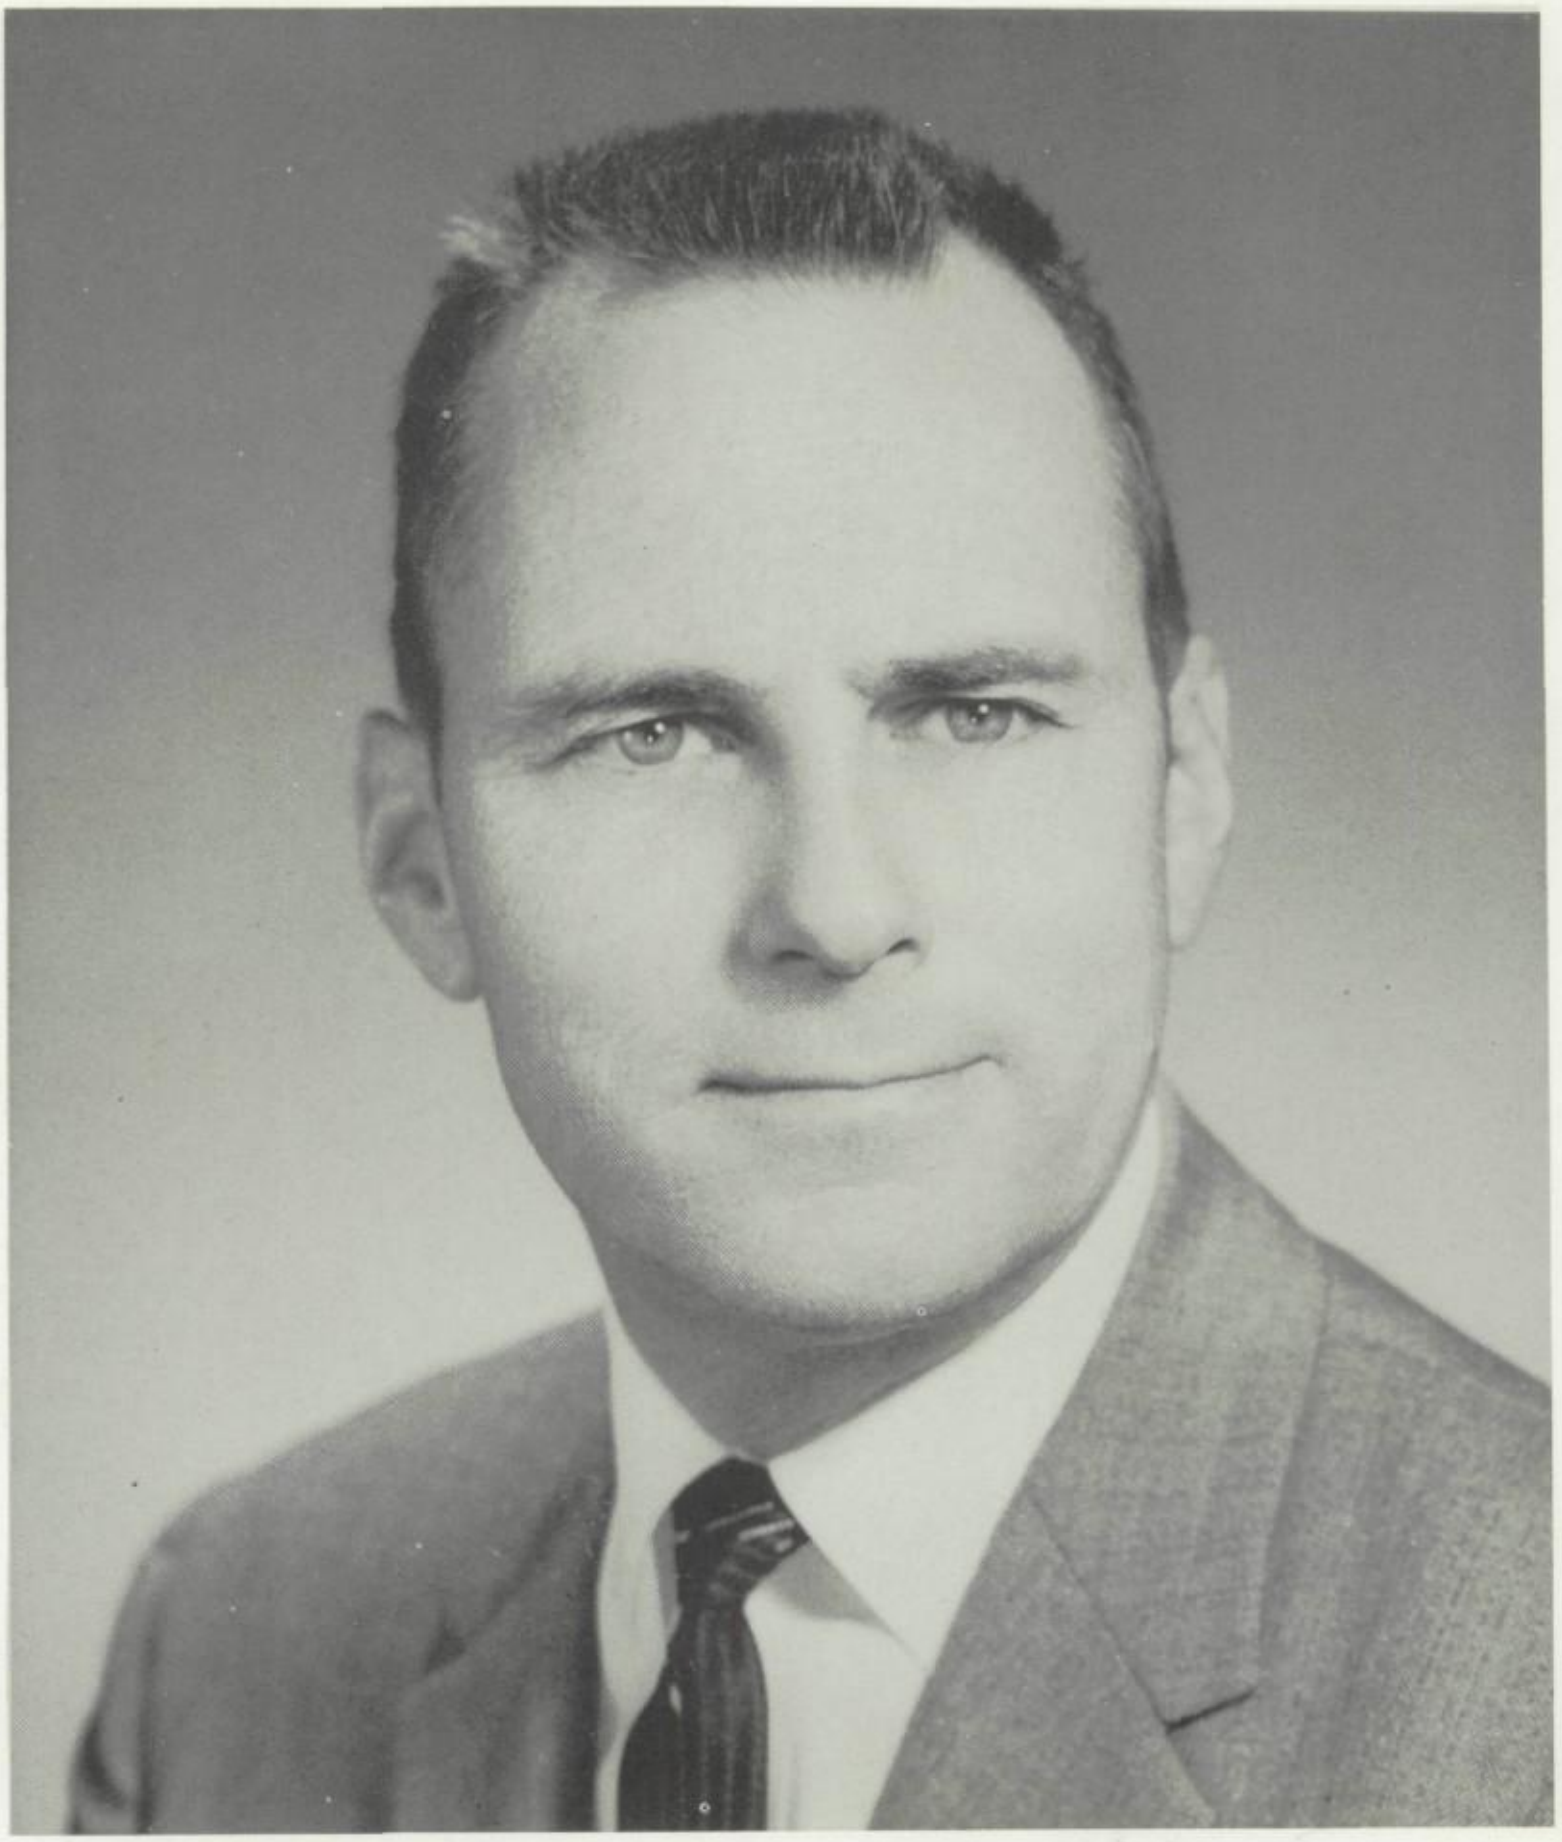
Athena, goddess of wisdom

PRINCIPAL



It is sobering to realize that before long the seniors whom I have learned to respect and rely upon during the past three years as leaders, scholars, athletes and friends will be graduating.

Each class develops a unique personality all its own. The class of '61 has performed well and will leave to the school the memory of many fine individual and group achievements.

It is my hope that the time spent at Mission Bay has been enjoyable and profitable, and that each senior will be able to draw upon a storehouse of valuable high school experiences to build for himself a full and useful life.

Terry-
Remember all the fun we've had this year. I'll never forget Judy's slumber party - you were so funny. How was the shower at 4:00 in the morn., anyhow? It was a fabulous shipwreck.
Best of luck to a real nut. Have fun!

Terry,
Here I go again writing in your annual. Well sweetie we've sort of drifted apart just like the whole crowd. Maybe this summer we can get together and have a ball. Take care of yourself and don't give up on "you know who." Things will work out okay.
Don't do anything I wouldn't do but have fun doing it!
See ya this summer,
Love ya!
Vickie

P.S. You remember my phone number don't you? Well use it some time why don't you.

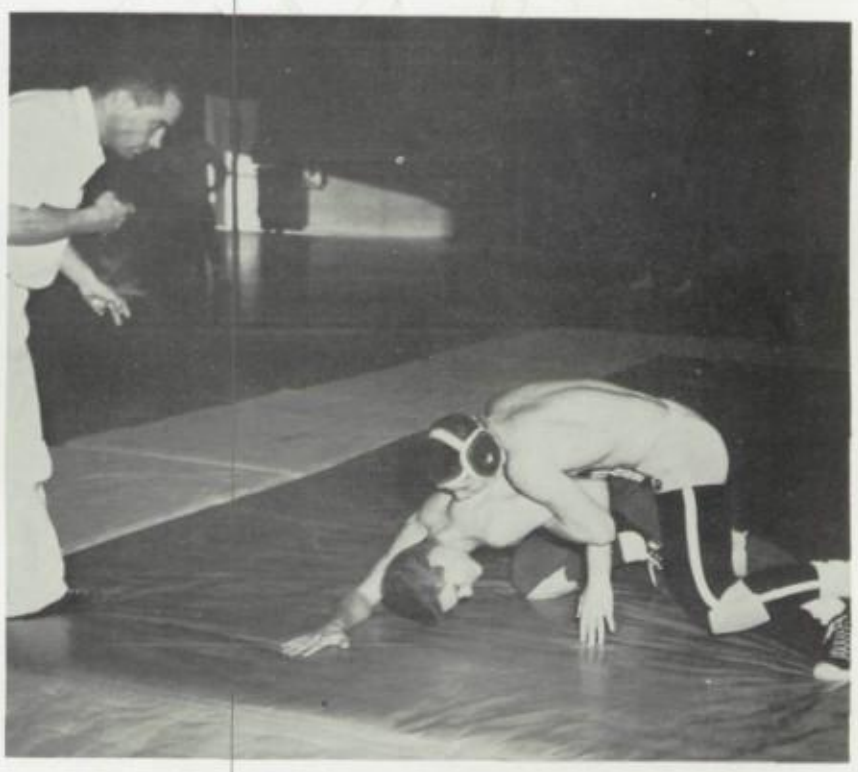
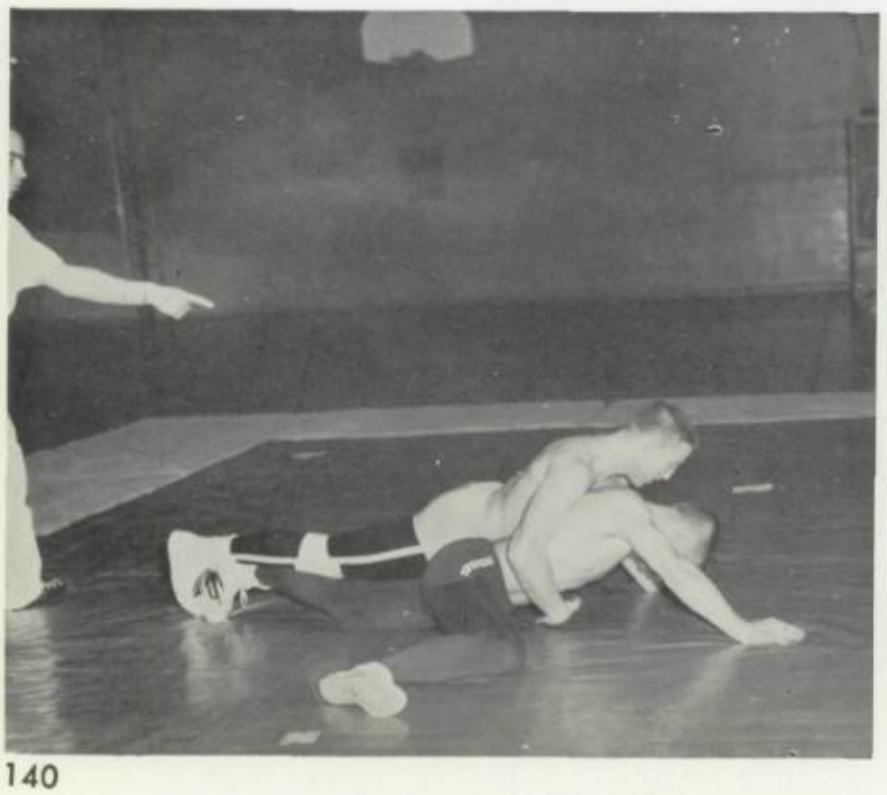
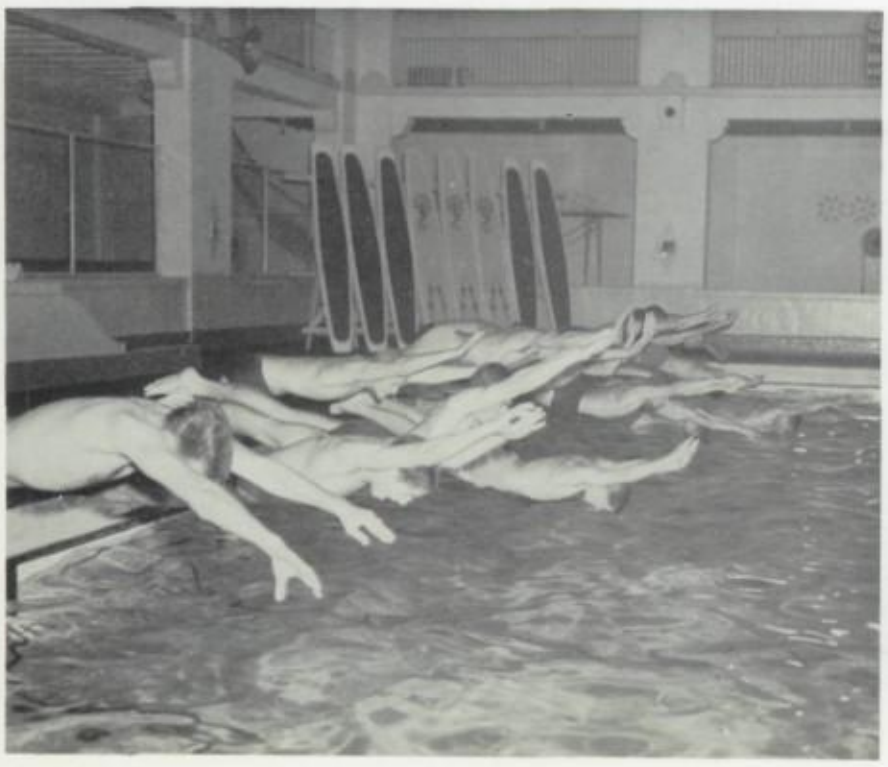
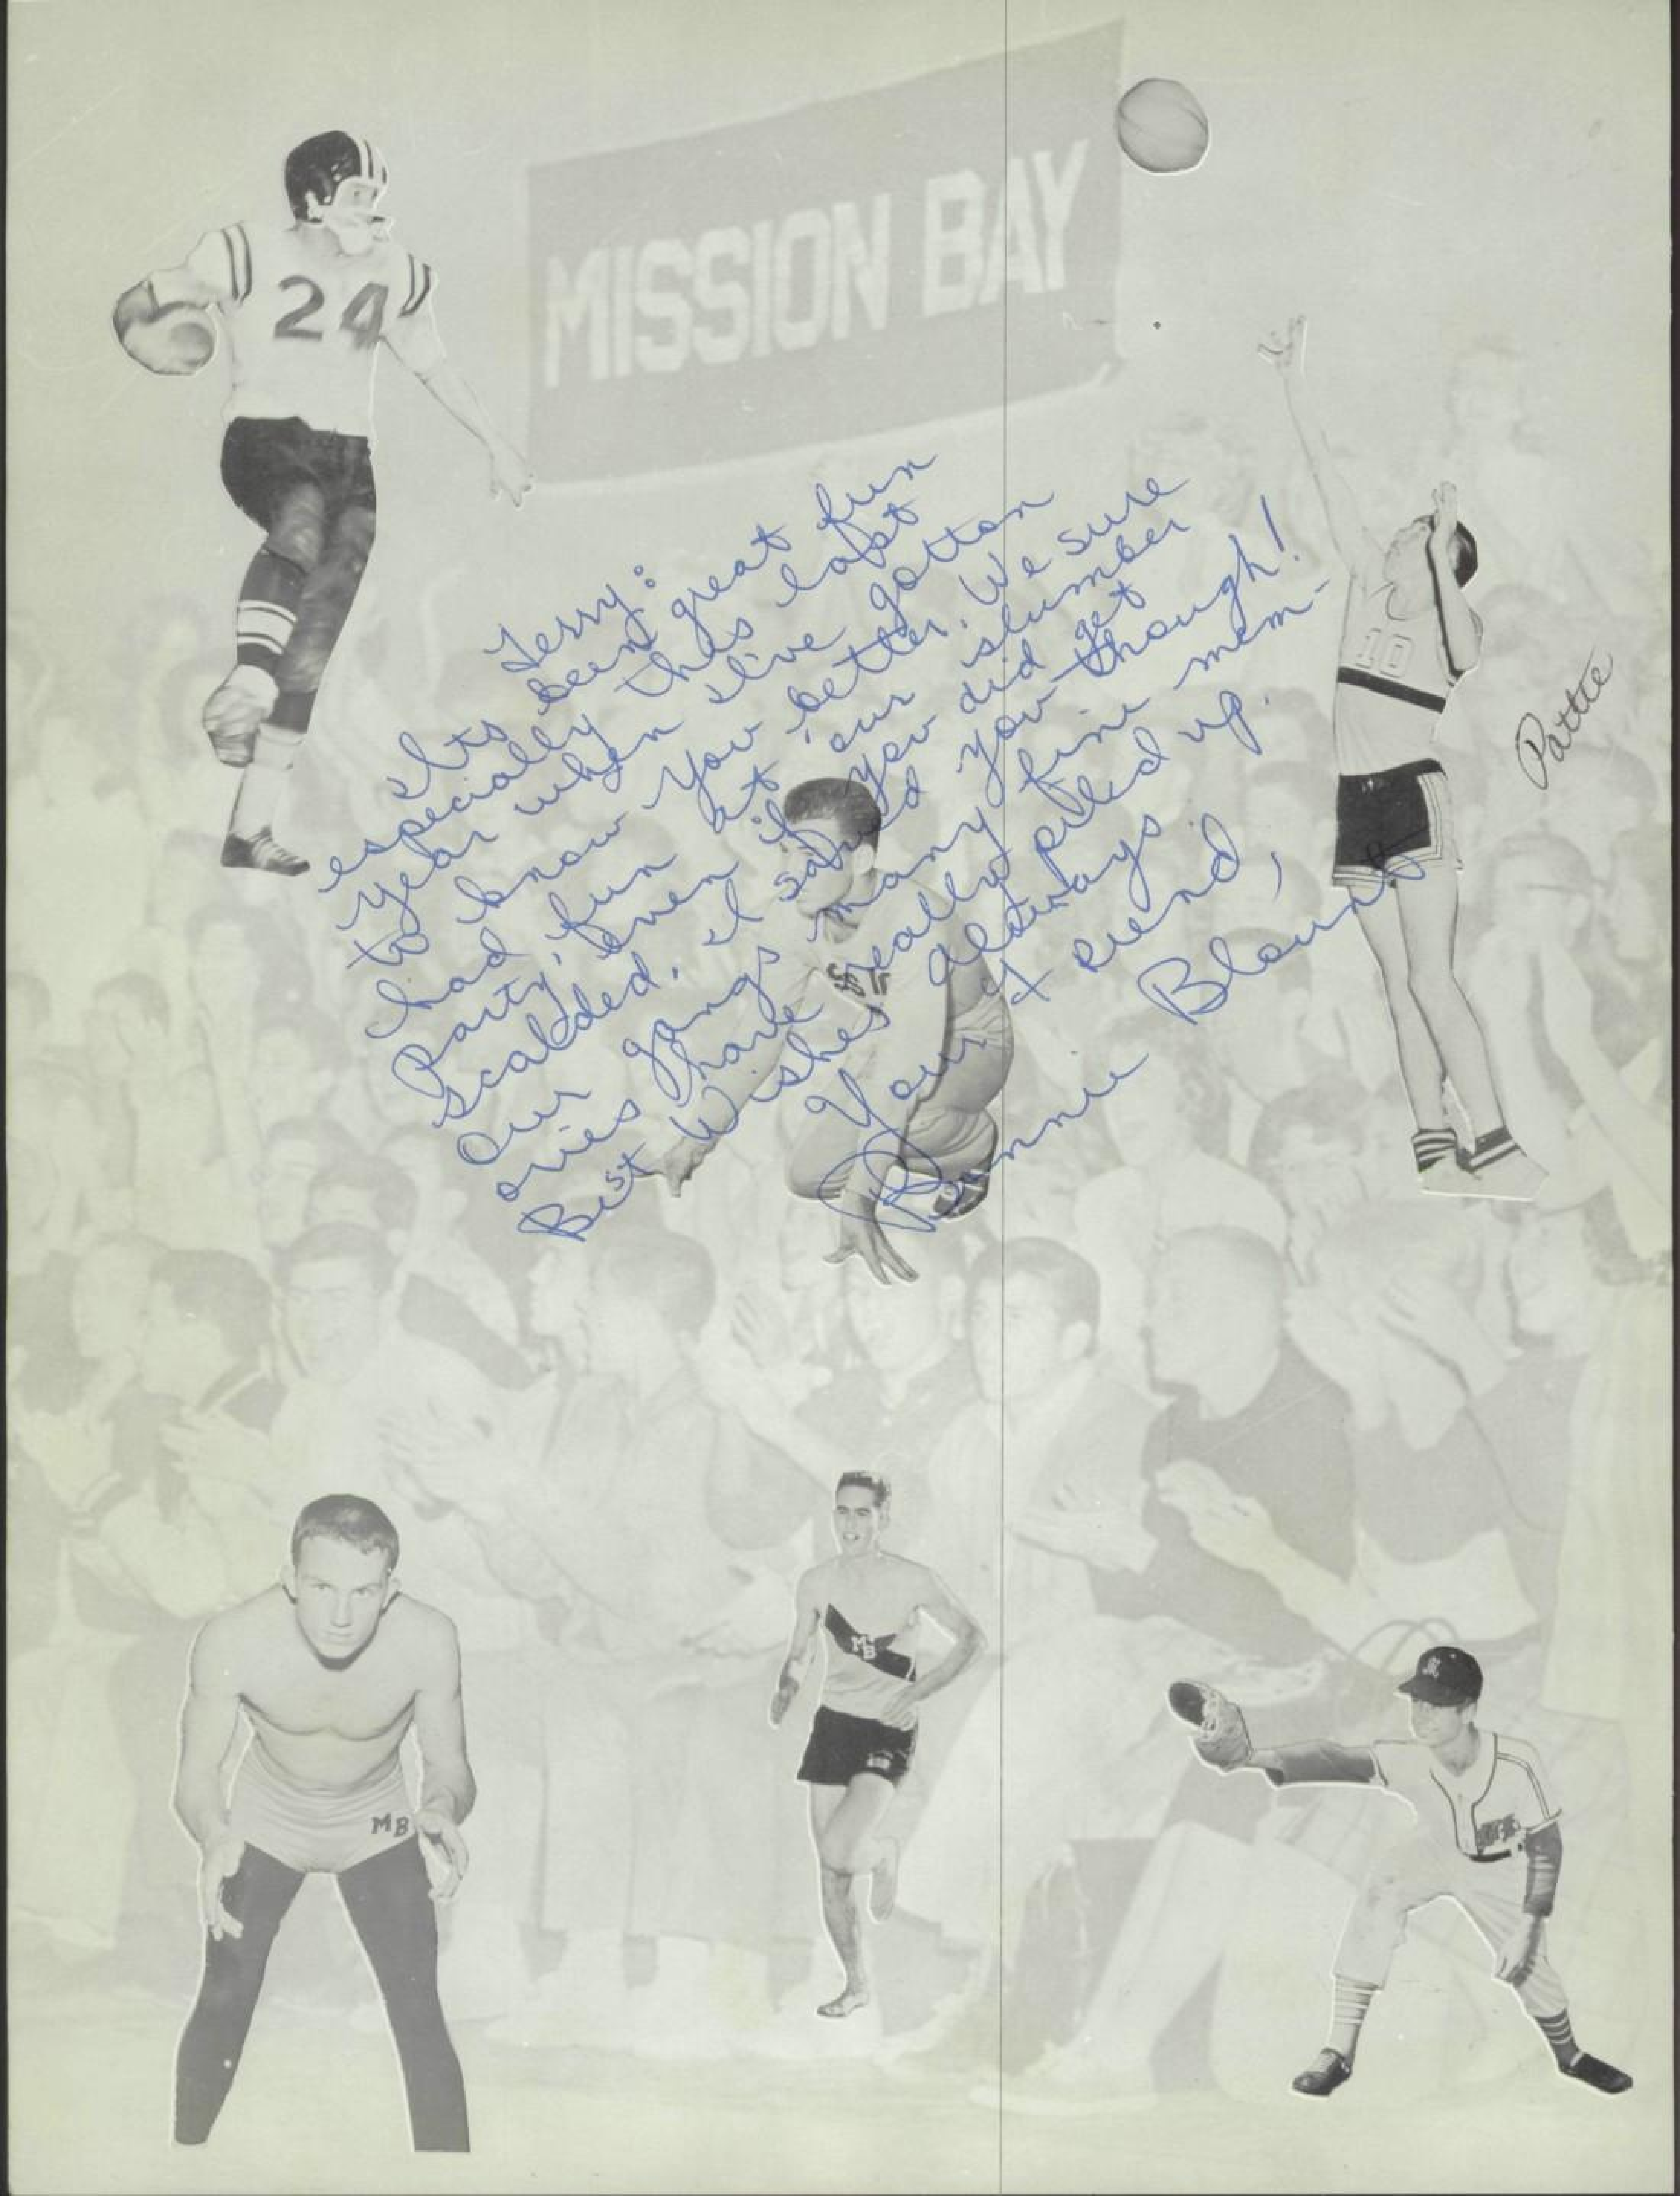
M.B. IN ACTION









Terry:
It's been great fun
especially this last
year when I've gotten
to know you better. We sure
had fun at 'our' slumber
party, even if you did get
scalded. I saved you though!
Our gang's many fine mem-
ories have really piled up.
Best Wishes always,
Your friend,
Bonnie Blount

To The Coaches . . .

Who know the sorrows of defeat and joy of victory.

Who raise high their cry: "Win or lose, it's how you play the game that counts."

We, the students of Mission Bay, sincerely say, "Thank you."
